## Customize Your Office.

Expert craftsmanship, rich detail, and exclusive design are the hallmarks of the integrated 2000 Office, Entertainment and Library Collection. Designed to help you customize rooms in your home or office, this remarkably flexible system includes both pre-configured and modular pieces to comfortably support the changing and diverse ways you work.

### Design your 3-D Space.

Designing your ideal media system is easy with our 3-D Space Planner available at [jesperoffice.com](http://jesperoffice.com). Explore all your options and view your designs in 3D format. Select your pieces, colors and sizes. Even see your designs from different angles. Don't forget you can visit our Specifically Trained Authorized Dealers who can help design and guide you through the options.

At Jesper Office. The Choice Is Yours.

71" L-Shape Group

## Your Office, Your Way.

Creating a comfortable working space is simple when you have the right choices. At Jesper Office, we design our office systems with comfort and style in mind, offering a wide range of beautiful modular pieces that can be configured in hundreds of ways to fit your style and space. Built to last, each piece is crafted with solid construction, quality materials and exceptional attention to detail.

## Rise To Any Task.

Our popular Sit-Stand Desk silently moves up and down in seconds with the touch of a button - letting you achieve your most comfortable position - whether that be sitting or standing. Designed to blend in beautifully in any workspace, our desk is available in several finishes with four different sized desktops, to fit all spaces and styles alike.

The WorkPad  
Available in 5 finishes.

## Stand Up for Your Health.

When we design things at Jesper Office, we always look to the human body for inspiration - that's why we designed a desk that lets you alternate between sitting and standing positions. Standing relieves the pressure on your back by 40%. So rather than growing tired in a seated position, why not give your back a rest and stand up for your health.

See more Library/Bookcase  
Combinations on Pages 21-22.

## Bookcase Basics.

Designed for you to mix and match, our bookcase components can fill a variety of spaces and needs. Whether used for closed storage or open display, a media center or library bookshelf, there are dozens of combinations to choose from with one clean look.

Add a Flip-Down Desk and/or  
File Insert to any 40" W Bookcase.

## Made To Last A Lifetime.

Crafted from durable hardwoods and exquisite veneers, this best-selling library system is sure to be a family favorite. Each piece has undergone an exclusive finishing process with protective lacquer, to smooth the wood's surface and heightens it's natural beauty.

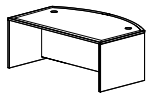

### Any Size, Any Finish.

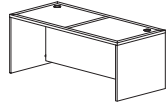

Unique, expandable and impressively versatile, our bookcases cleverly fit any room. Designed to complement our media and office systems, we make it easy for you to complete your home. Featuring a wide range of sizes and finishes, our designs use solid construction so each piece will last for decades to come. See more Bookcase Options on Pages 17-18.
